Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, altered the way I believe.

Formed in 2003 as a result of the regionalisation of Welsh rugby, Newport Dragons started life with a third place finish in the 2003-04 Celtic League, narrowly failing to repeat their initial exploits the season after, ending it in fourth. Peter Jones documents Newport s most iconic players and managers from the team s early beginnings to the present day. With unprecedented access to the club s archives, Newport Dragons: Legends of the Turf provides a complete history of the club s heroes, complete with facts and figures, along with their most memorable games.
