Not illustrated. 1903 Excerpt: .Association, and leading to the degree of Doctor of Medicine. In the department of music the degree of Bachelor of Music was offered on the completion of a course of four years. The university also offered the degree of Bachelor of Painting to students completing satisfactorily the required technical work, together with a literary and scientific course of four years. Students desiring to fit themselves for the profession of teaching were recommended to avail themselves of courses offered in the preparatory department. The university thus began its work in October, 1880, with a go faculty, a considerable number of students, and excellent prospects. In the year 1882 a separate building was erected on Arapanoe street for the accommodation of the junior preparatory department, at a cost of about \$12,000. In December, 1883, a telescope was bought for the university by a number of friends of the institution. It was an excellent instrument, with a 5-inch objective, made by Alvan Clark. A telescope of 1 inches was presented by Nelson Forbes, of Denver. The larger instrument was mounted in an observatory above the junior preparatory building and served the purposes of the professor of astronomy until the erection of the Chamberlin Observatory at University Park. In the year 1884 the beginning of a mineralogical collection was made by the purchase of the Crary cabinet. In the year 1884 Mrs. Elizabeth Iliff-Warren made the offer of \$100,000 for the endowment of a school of theology, on the condition...
