The author has done a wonderful job of bringing the characters and the story to life. Amazing characters and great storytelling make this a real page turner. The story took off and didnt stop until the very last word. It is full of growing excitement, twist, turns, surprises and full of romance and love. Love historical, time travel novels and this is one of the best Ive read. I could not put this book down. I would wake up in the middle of the night and start reading again. This story has everything . . . excitement, adventure, romance and suspense. Plot twists kept the book moving at a nice, swift pace. This story has the adventure of time travel, the heartbreak of tragedy and the mystery of a stalker--possibly more rolled into the same package. It all comes together so beautifully. I guess putting a genre on this book describing it as a time travel book is not doing it justice. It really is so much more. This is story I recommend to...
