You d never know if you got the right amount of change back. You wouldn t even know how much to give the cashier. You d not be able to budget or to keep track of your total while shopping. Wouldn t that be terrible? Money skills are very important. Children begin learning about money so young to ensure they have a good grasp on handling money when they are adults. Here s how you can help your child to learn to count money. Children may not quite understand the concept of money in terms of cost and what constitutes a good value, but most kids like money because they know you need money to buy things you want. Teaching children to count money is one of the basic concepts that they will use during the course of their entire lives, but can be confusing at first. Make sure...
