Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Business Analyst Quick Start Guide is a BA Books production (). is an initiative launched to simplify the process of acquiring valuable, marketable skills-particularly in the field of business analysis. There are many resources out there to educate oneself on valuable skills, but strives to deliver products that are: - Easy to understand-in simple, plain English - Short, and to the point - Engineered for rapid personal growth and marketability Here s what Amazon Customers are saying about this book. Business Analyst Quick Start Guide is EXACTLY what I needed to get some foundation information. Other books were long and complicated, but not this one. This book comes as a breath of fresh air and is very easy to understand. Business Analyst Quick Start Guide provides a realistic, practical example of Business Requirements Documentation through tools, such as flow diagrams, use-cases, and screenshots, which are commonly used in the BA world, and also shares this information in a way that offers insights that help both, existing BA s as well as those that are new to the landscape. The book tries to give the reader just enough information to be able to quickly grasp the essence of each tool used, thereby allowing an extremely fast-paced, yet easy-to-digest learning experience. The experienced BA will find new techniques on how to think about business problems, as well as other insights with respect to dealing with stakeholders and building confidence in one s profession. The text takes the reader through a realistic application enhancement at a fictitious title company. The example is small enough to digest quickly, but detailed enough to understand the importance of a thorough design. Although typical...
