*These types of book is the greatest ebook readily available. I was able to comprehend every little thing using this published e pdf. I realized this pdf from my dad and i encouraged this publication to*

**INSIGHT FLEXI MAP: KRAKOW (3RD EDITION)**

APA Publications. Sheet map. Book Condition: new. BRAND NEW, Insight Flexi Map: Krakow (3rd edition), Insight Guides, Flexi Map Krakow is a laminated, tear-resistant map which has 4 separate maps, each one accompanied by its own index. It includes a list - with descriptions and some photographs - of 29 recommended sights, divided by theme and linked to the mapping by numbered markers. There is also a handy information section with concise details on getting around, tourist offices, money, tipping, opening times, public holidays, telecommunications, emergency telephone numbers and climate. On one side is a street plan of the city, shown at a scale of 1:15 000 (1cm = 0.15km), together with an enlargement of the historic city centre, both maps have separate indexes which are categorised for ease of use. One way streets, car parks and pedestrian zones are shown and many prominent public buildings, hotels and other places of interest are clearly marked and listed in the extensive index. A diagram of Krakow's Tram network is located on the back cover for easy reference. The reverse shows Krakow Environs, with coverage including the Tatra Mountains, just over the border in Slovakia, and clearly marks other important locations including Auschwitz and the Wieliczka Salt Mines. This map is shown at a scale of 1:800 000 (1cm = 8km). A map of the whole of Poland is also located on this side of the Flexi Map. Both maps have their own indexes.
