

Rainbow Mewsik Poetry

By bill bissett

Red Deer Press. No binding. Book Condition: New. Audio CD. Dimensions: 5.7in. x 5.0in. x 0.4in. rainbow mewsik brings you the sometimes harmonious, sometimes jarring words, vocalizations, and music of world-renowned sound poet bill bissett. This is poetry that bends your ear, that makes you stand up and take note. Through a rich and provocative mix of maracas, verse, meditations, chants, saxophones and other instruments, rainbow mewsik is fresh, in-your-face performance literature that constantly plays with how we create rainbows of meaning via everything to do with sound. In rainbow mewsik bill bissett has teamed up with Chris Meloche to develop musical and electronic treatments of several pieces. 4shadowing, for instance consists of only one word recorded directly onto the computer, then stretched and put through a process called granular synthesis, which allowed them to manipulate the tiniest aspects of sound in real time. Other pieces in the collection were recorded live, in real time, with no overdubbing or post-production work. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Audio CD.

Reviews

Merely no words to explain. I really could comprehend everything out of this published e ebook. I found out this publication from my dad and i suggested this publication to learn.

-- **Prof. Margarita Ledner PhD**

This written pdf is fantastic. It normally is not going to expense a lot of. It is extremely difficult to leave it before concluding, once you begin to read the book.
