The amenity ultimately enjoyed by each individ-ual or household is achieved through a complex ser-ies of steps, each of which adds value of some kind. The value may be contributed by investments of household time, or maybe added by a business that contributes to a purchased product or service. The 1 final value of a purchased frozen pizza, for exam-ple, includes value contributed by farmers, packers, truckers, wholesalers, grocery stores, and the col-lection of legal, financial, insurance, and other firms that facilitate transactions needed by the complex network of activities. The methods this analysis uses to keep track of the flow of value in economy are summarized in figure 1-2, which...
