There s nothing strange about bodies buried in cemeteries unless they don t belong there. And when six murdered women are discovered in other people s graves, the hunt for a sadistic serial killer begins before he can claim a seventh victim. Agent Cam Prescott of Iowa s Division of Criminal Investigation is leading the search alongside forensic psychologist Sophia Channing, who knows the minds of psychopaths inside and out. And after a brief but passionate affair, she knows Cam almost as well. What she doesn t know is that her high-profile involvement in the case has caught the twisted predator s eye and sparked his fury. When Sophia suddenly vanishes, Cam and his team shift into overdrive to keep horrific history from repeating itself. But for Sophia, being trapped in the same isolated lair where so much innocent blood has been spilled may get her inside her vicious captor s head and may offer her the only chance she has to escape an agonizing and lethal fate.
