Reviews

Most of these ebook is the perfect publication offered. Sure, it really is play, still an interesting and amazing literature. You wont truly feel monotony at whenever you want of your time (that's what catalogs are for about in the event you check with me).

THE BLUE DEN

[DOWNLOAD](#)

Bloodaxe Books Ltd. Paperback. Book Condition: new. BRAND NEW, The Blue Den, Stephanie Norgate, "The Blue Den" is a book of lyrical, sensuous poems which builds on the achievement of Stephanie Norgate's debut collection "Hidden River", which was shortlisted for both the Forward First Collection Prize and the Jerwood Aldeburgh First Collection Prize. In "The Blue Den", people travel along the edges of roads, landscapes and emotions. The poems give voice to a stream under ice, a flooded road, and an ant beneath the sky. Strongly visual and imaginative, these poems explore the edges of memory, the mutual dependency of man and nature. Stephanie Norgate's second collection celebrates the power of intense looking and making, whether meditating on refugees in an oarless boat or Giacometti working restlessly at the figure of a strange walker. These poems inhabit marginal, unsung and free experiences: plastic bags along a road or the return of children over a lake. The underside resonates with strange vivid beauty.
