A Teacher's Guide for Getting Serious About the System: A Five Phase Process for Educational Transformation

By D'Ette F. Cowan, Stacey L. Joyner, Shirley B. Beckwith

SAGE Publications Inc. Paperback. Book Condition: new. BRAND NEW, A Teacher's Guide for Getting Serious About the System: A Five Phase Process for Educational Transformation, D'Ette F. Cowan, Stacey L. Joyner, Shirley B. Beckwith, The Working Systemically approach is a multidimensional process for school improvement focused on key components of the system that must be in place to support student achievement. In order to ensure that the improvement is sustained for the long term, the Working Systemically approach targets multiple levels of the system. By simultaneously addressing the components and competencies at multiple levels, the approach results in systemwide improvement that increases achievement for all students. Four key findings drive this work: improving student achievement requires a district to concentrate its efforts on aligning curriculum, instruction, and assessment to state standards; instead of trying to address every problem with a unique solution, work on the underlying issues that are impacting the system; focus - improvement plans on activities that are small enough to be manageable but large enough to make a difference in student achievement; and leaders at all levels of the system (including teacher leaders) need to support the selected focus of the improvement effort so that the resources...
