Most people, when you say camping, think of nasty canned food, tinfoil stuck in your potato, and burnt everything. But now, with some help from Louise Davidson s expert guidance (okay, a lot of help), you can cook up some of the most scrumptious dishes around. Why? Because just because you re roughing it in the woods, doesn t mean you have to rough over your taste buds (and your poor digestive system). You re sacrificing enough of the finer things in life. Find out how to make your meals the best part of your camping trip. Enjoy a great time with family and friends alike while being in the great outdoors, without the distractions of day to day affairs like work, cell phones, and the internet, and while enjoying truly good food. You ll even find a recipe for a garbage can dinner that your family and friends will talk about for years to come! Inside find the essentials to plan your camping trip and what to bring to make it the most memorable ever.
