Createspace. Paperback. Book Condition: New. This item is printed on demand. Paperback. 184 pages. Dimensions: 9.0in. x 6.0in. x 0.4in. An excerpt from the PREFACE: THE scheme of this work is to provide a complete manual of the Japanese language rather than a phrasebook for travellers and others temporarily visiting Japan. Such visitors have not been overlooked, however, for a large number of Conversational Phrases and Sentences, conveniently classified, have been added, together with full Vocabularies alphabetically arranged. The Publishers propose to develop these sections for issue under the title of Japanese Self-Taught. The Japanese people, by their intelligence, energy, and enterpriseso remarkably displayed of late yearshave raised their country to a prominent position amongst the Nations of the World, both politically and commercially. A great and growing interest, fostered by our recent alliance with its government, is being manifested towards THE BRITAIN OF THE PACIFIC, and there is a growing necessity for a simple and inexpensive hand-book of the Japanese Language, which the present volume is designed to meet. The work is carried out in the Roman Character, as for all practical purposes of international communication the Roman alphabet is being steadily adopted by the Japanese themselves. The native characters are however given, together with the rules of transliteration and a number of illustrative examples, so that the student may possess himself of the key to native literature. Japanese is usually looked upon by Europeans as being terribly difficult to learn, but in reality it is extremely easy when studied in the Roman character; the want of a really practical grammar on modern lines has probably given rise to the idea referred to. The Syntax certainly is formidable to a European, as it is quite different from anything met with in Western languages, but Syntax is of very minor importance...
