Dr. PhilJenni had been in an abusive relationship with Ed for far too long. He controlled Jenni s life, distorted her self-image, and tried to physically harm her throughout their long affair. Then, in therapy, Jenni learned to treat her eating disorder as a relationship, not a condition. Beginning with Jenni s divorce from Ed, this supportive, lifesaving book combines a patient s insights and experiences with a therapist s prescriptions for success to help you live a healthier, happier life without Ed.This 10th anniversary edition features a new afterword as well as sections devoted to family, friends, and supporters; how treatment professionals can use the book with their patients; and men with eating disorders.
